MEMORANDUM FOR: Director of Central Intelligence

Sir:

I submit the following for your information.

Jack Maury ran into me immediately after the medal presentation ceremony for Larry Houston. He was so impressed with the words spoken that day that he left the thought that perhaps consideration should be given to running the transcript in a forthcoming edition of "Studies in Intelligence". I have obtained the transcript, passed the thought on to [] and Pat proposed to bring the matter to the attention of the Editorial Board.
